GOLD RIBBON GALA

ABOUT THE EVENT

Now in its fourth year, the Gold Ribbon Gala continues to have huge success raising vital funds for local children with cancer, and their families.

In 2023, we presented the Gold Ribbon Gala to a sold-out room of more than 740 supporters and together raised a phenomenal \$418,551, bringing the grand total for the past three events to \$1,230,386!

Once again, we are inviting Adelaide's corporate and community leaders to join us on Saturday, 10th August alongside the Childhood Cancer Association's supporters, board members and ambassadors as we come together to help the 400 families faced with childhood cancer every year.

Hosted by Hayley Pearson and Jarrod Walsh, tickets include a 3-course dinner and 5-hour drinks package as well as outstanding entertainment, raffle, live and silent auctions, a wine wall and more.

By purchasing a sponsorship package, not only will you receive some great benefits and exposure for your business, but you will also ensure that more funds go directly to support children with cancer, and their families.

We hope you can join us and together we'll make a difference at the 2024 Gold Ribbon Gala.

ABOUT THE CHILDHOOD CANCER ASSOCIATION

A child's cancer diagnosis is a devastating news for everyone. Every week, a child from South Australia, the North Territory, regional Victoria or New South Wales is referred to us for support. While families can rely on outstanding medical treatment, the critical support services they need aren't provided by either state or federal government.

Since 1982, the Childhood Cancer Association has been providing practical, hands-on support to children with cancer, and their families. We do this without a dollar of ongoing public funding.
